Genesis Networks

Telecom & Teleconferencing Solutions

Genesis offers a one-stop shop of telecom and teleconferencing solutions

Business and Residential

Genesis offers reliable phone systems, local, long distance, VoIP, networking and Internet solutions for small and mid-sized businesses.

Audio Conferencing

Our most popular service is perfect for your everyday needs and ideal for everyday conferencing of up to 150 callers. Our 24 x 7 feature rich, reservation-less Audio Conferencing service is perfect for on-the-fly calls that can be set up anytime, day or night.

Web Conferencing, Webinars, Webcasting, and Video Conferencing on Demand services are also available at deeply discounted rates to COABE members.
