

**COABE**  
The Voice Of Adult Education

## GRAD STUDENT NETWORK

The mission of the COABE Graduate Student Network (GSN) is to encourage, support, and engage graduate students who are interested in adult basic education. We foster networking and collaboration that bridges research and practice, cultivates leadership and advocacy, and empowers emerging scholars to make meaningful contributions to adult basic education, research, policy, and practice.

“ Research turns numbers into narratives that shape policy, practice and possibility. ”

### WHAT YOU'LL GAIN:

#### **Mentoring & Networking**

*Learn firsthand from scholars, and connect with leaders in adult education.*

#### **Special Presentations**

*Be invited to special presentations by influential scholars, present your research at COABE events and scholarly forums.*

#### **Leadership Development**

*Serve in leadership roles within the network.*

### SHAPE THE FUTURE OF RESEARCH AND ADVOCACY

*Learn more today by scanning, or email [info@coabe.org](mailto:info@coabe.org).*
