

Membership Benefits

COABE's mission is to lead, equip, and empower the field of adult education, inspiring transformative growth in every adult to achieve their full potential.

Adult Learners Join for FREE!

Membership Benefits Include:

- ◆ **Educate and Elevate Award Winning Tools**
Access our award-winning campaign toolkit which enables you to educate the public, funders, and legislators about your and our important work of changing lives through adult education.
- ◆ **Quick Access to Legislators**
As a field, we united to let legislators know that adult education changes lives and stimulates the economy. Legislators listened and added \$82 million and staved off \$200 million in funding cuts to our WIOA Title II funding stream. We must continue to contact them!
- ◆ **National Awards**
Do you know an outstanding educator, administrator, or adult learner? COABE awards \$2,000 per winner each year!
- ◆ **Adult Educator Resources**
Find lesson plans, apps, videos, and much more or upload your own to share with other adult educators!
- ◆ **COABE National Conference**
Enjoy your members-only discounted rate to attend the world's premier adult education conference with the state of the art programming in more than 15 tracks.
- ◆ **Conference Mini Grants**
With generous funding provided by our partners, COABE will award mini grants to defray registration costs to our national conference.
- ◆ **Professional Development**
Each month you will have the opportunity to join our professional development webinars where you will hear from expert national level presenters on trending topics.
- ◆ **COABE Journal**
Access the best research by leading researchers in our field! Purchase individual e-copy articles or the whole journal at a discounted rate (hard copy only). Digital and hard copies available here.
- ◆ **Funding and Innovations Grants**
Access opportunities to bring funding to your local program to increase CTE, financial education, and excellence in programming.
- ◆ **Communities of Practices**
Join our communities of practice and network with other like minded teachers, administrators, and paraprofessionals.
